LA Noire: The Complete Edition (ENG RUS) Repack NASWARI+ZOHAIB (download torrent) - TPB. The Complete Edition [LANoire-The-Noir]{Game} FREE DOWNLOAD by vvds7. I'm trying to play LA Noire: The Complete Edition, not the demo, and I'm having trouble. I've tried three different installations of the game, and for the first time, I don't think the install worked. The "Black Box" load screen comes up and I enter my login info, and I am brought to the screen where I am supposed to be choosing my save file. My save file list is empty, so I tried to create a new one. No save file is created and I am returned to the main menu. Then I tried the same thing with a different hard drive and nothing. So I bought a USB stick and tried the same thing, still no save file. The save file screen never appears. Even after starting the game and going to the main menu, all it gives me is a blank screen with the cursor. "LA Noire: The Complete Edition" by Rockstar Games (Original PS3) (US) (ENG/RUS) PC Game Download [Lossless Repack] [FULL] (DL: Download) by AlphaZero · 5 Dec 2016. A is for Alpha. The Complete Edition is, in my estimation, the very best detective game Rockstar has ever released. As much as I enjoyed The Untouchables and the Red Dead Redemption games, the game that really made me a fan of the developer was LA Noire. The game seems like a mashup of the Choose your own adventure books and the Clue board games. In LA Noire, you don't play as Cole Mac
