Download - Far Cry 3 is a first-
person shooter video game
developed by Ubisoft Montreal
and published by Ubisoft for

Microsoft Windows, Xbox 360 and PlayStation 3. It is the sequel to 2009's Far Cry 2 (also developed by Ubisoft Montreal and published by Ubisoft) and the thirteenth installment in the Far Cry series. Far Cry 3's story is set in the fictional Himalayan country of Kyrat, a region scarred by decades of conflict between two tribal groups, the Uprising and the Golden Path rebels. Kyrat is a secessionist

state of the United States of Paradise, a small rogue nation. Paradise had invaded the country and turned it into a brutalized dystopia and Far Cry 3 sets out to find the leader of the Golden Path. Far Cry 3 is set five years after the events of Far Cry 2 and around three years after the events of Far Cry 2: Vengeance. Far Cry 3 multiplayer is a first-person shooter video game developed
