"The artificial intelligence was formed, which was eventually created by Akatsuki. Engineers and scientists were looking forward to the time when the Evas would gain freedom and be able to control the Shadow Worlds. Alas, that time never came." Hayashi needs to be picked up at Ouros Village to find and destroy the giant generator that controls the energy of these Worlds. Be careful, because he can become a threat to your world if nothing changes... read more at [Community Blog gerzblogirss2lj](#)
