SIMPLE Download DOWNLOAD Sven Bomwollen Apk4All.com: Free Download BEST APK GAMES & APPS PDA & TABLET APPS FOR PHONE APP LAUNCHER & APK BOX Note: To get more about the protection of your data, follow the policies of the game you install on your phone. I create this tool in hope of helping everyone to download games and apps easily to their phone. So many games installed, so many apps downloaded, but all problems happen in keeping them safe and in giving users the best experience possible. But that doesn't mean we don't want to help. This is why I built Applogie. I'm very lucky to have the support of people in our community that create amazing tools, such as App Installer and App Manager. This is why I've built Applogie. Please contact me or mention Applogie in one of the topics of this community if you can help us with this tool.//==-----// // Part of the LLVM Project, under the Apache License v2.0 with LLVM Exceptions. // See for license information. // SPDX-License-Identifier: Apache-2.0 WITH LLVM-exception // ==-----// UNSUPPORTED: c++98, c++03 // duration // duration& operator+=(const duration& d); #include #include #include #include "test_macros.h" int main(int, char**) { { typedef std::chrono::nanoseconds ns; ns d1 = ns::zero(); ns d2 = ns::max(); ns d3 = ns::min(); d1 += d2; assert(d1.count() == 0); d1 += d3; assert(d1.count() == 0); } { typedef std::chrono::microseconds ms;
